Dear Seniors,

We have had a lot of fun putting this yearbook together for the class of 1994. We hope you will not only enjoy reading the yearbook this year, but in the many years to come. May it remind us of our friendship and all the great times we shared.

We would like to thank Mr. LaMothe. He is the man who makes this yearbook such a success. We would also like to thank the senior class for making our high school unforgettable.

We wish you all the best of luck and may all your dreams come true.

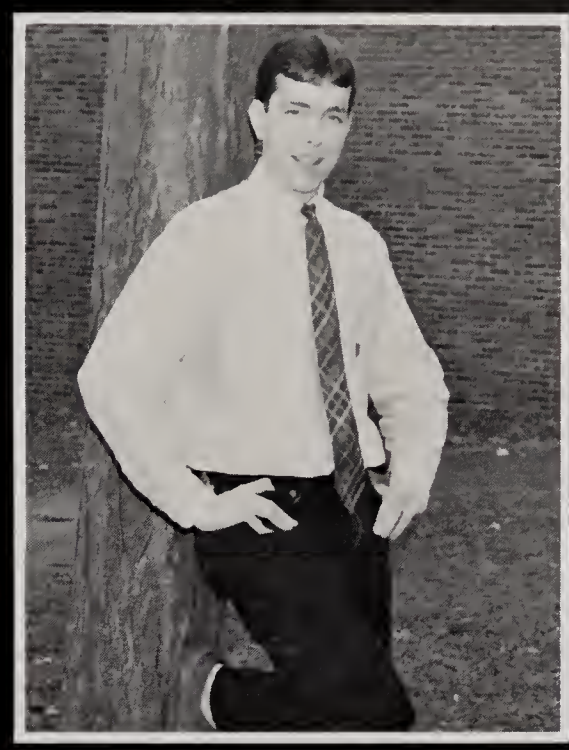
President's Message



It is said that time seem to pass by much quicker as you get older. Well, why is it that our high school years have gone by so quickly for us teenagers???? During the past four years we discovered, learned, socialized, laughed, and sometimes cried in the fast moving environment known as Somerset High School.

Our academics were seasoned by many social activities, sporting events, community benefits, and of course the Thanksgiving game rallies. I, like many of my classmates am anxious about the future. We take with us more than just knowledge, growth, and maturity. The memories of our high school days will be accompanying us. Hopefully as we grow older . . . . . making new friends . . . . . realizing our goals, we will meet at the class reunions to relive some of thos memorable days of high school.

The hallways might be taken over by other students, and our former desks will most likely be occupied by different personalities. However, those we leave behind will not soon forget that there was a class that demonstrated an energetic spirit . . . . . the class of '94.

I wish each one of you the best of luck in the future. Thanks Mr. Sorem for being our junior class advisor, and thanks Dad for your help and patience as our senior class advisor. Until whenever . . . . . .
